(2) "Interim order of the department" means an order of the department issued under section 40108.

(3) "Kind" means an animal's sex, age, or physical characteristics.

(4) "Normal agricultural practices" means generally accepted agricultural and management practices as defined by the commission of agriculture and rural development.

(5) "Open season" means the dates during which game may be legally taken.

(6) "Parts" means any or all portions of an animal, including the skin, plumage, hide, fur, entire body, or egg of an animal.

(7) "Protected" or "protected animal" means an animal or kind of animal that is designated by the department as an animal that shall not be taken.

(8) "Residence" means a permanent building serving as a temporary or permanent home. Residence may include a cottage, cabin, or mobile home, but does not include a structure designed primarily for taking game, a tree blind, a tent, a recreational or other vehicle, or a camper.

(9) "Conservation" means the wise use of natural resources.

Sec. 40110. (1) Only the legislature or the commission may designate a wildlife species as game. Only the legislature or commission may establish the first open season for a game species designated under this section. The legislature retains the sole authority to remove a wildlife species from the list of game species. The commission shall exercise its authority under this subsection by issuing orders consistent with its duty to use principles of sound scientific wildlife management, as expressed in section 40113a. The commission may decline to issue orders authorizing an open season for a game species if doing so would conflict with principles of sound scientific wildlife management. The commission shall not designate any of the following as game under this subsection:

(a) A domestic animal.

(b) Livestock.

(c) Any species added to the game list by a public act that is rejected by a referendum before May 14, 2013.

(2) After the legislature or commission authorizes the establishment of the first open season for game under this section, the department may issue orders pertaining to that animal for each of the purposes listed in section 40107.

(3) As used in this section:

(a) "Domestic animal" means those species of animals that live under the husbandry of humans.

(b) "Livestock" includes, but is not limited to, cattle, sheep, new world camelids, goats, bison, privately owned cervids, ratites, swine, equine, poultry, and rabbits. Livestock does not include dogs and cats.

Sec. 40113a. (1) The legislature finds and declares that:

(a) The fish and wildlife populations of the state and their habitat are of paramount importance to the citizens of this state.

(b) The conservation of fish and wildlife populations of the state depend upon the wise use and sound scientific management of the state's natural resources.

(c) The sound scientific management of the fish and wildlife populations of the state, including hunting of bear, is declared to be in the public interest.

(d) The sound scientific management of bear populations in this state is necessary to minimize human/bear encounters and to prevent bears from threatening or harming humans, livestock, and pets.

(2) The commission has the exclusive authority to regulate the taking of game as defined in section 40103 in this state. The commission shall, to the greatest extent practicable, utilize principles of sound scientific management in making decisions regarding the taking of game. The commission may take testimony from department personnel, independent experts, and others, and review scientific literature and data, among other sources, in support of its duty to use principles of sound scientific management. The commission shall issue orders regarding the taking of game following a public meeting and an opportunity for public input. Not less than 30 days before issuing an order, the commission shall provide a copy of the order to each of the following:

(a) Each member of each standing committee of the senate or house of representatives that considers legislation pertaining to conservation, the environment, natural resources, recreation, tourism, or agriculture.

(b) The chairperson of the senate appropriations committee and the chairperson of the house of representatives appropriations committee.

(c) The members of the subcommittee of the senate appropriations committee and the subcommittee of the house of representatives appropriations committee that consider the budget of the department of natural resources.

(3) The legislature declares that hunting, fishing, and the taking of game are a valued part of the cultural heritage of this state and should be forever preserved. The legislature further declares that these activities play an important part in the state's economy and in the conservation, preservation, and management of the state's natural resources. Therefore, the legislature declares that the citizens of this state have a right to hunt, fish, and take game, subject to the regulations and restrictions prescribed by subsection (2) and law.

Sec. 48703a. (1) The legislature finds and declares that aquatic invasive species, including Asian carp, represent a significant threat to the state's fisheries, aquatic resources, outdoor recreation and tourism economies, and public safety.

(2) The commission has the exclusive authority to regulate sport fishing under this part. The commission shall, to the greatest extent practicable, utilize principles of sound scientific management in making decisions regarding the regulation of sport fishing under this part. The commission may take testimony from department personnel, independent experts, and others, and review scientific literature and data, among other sources, in support of the commission's duty to use principles of sound scientific management. The commission shall issue orders regarding the regulation of sport fishing under this part following a public meeting and an opportunity for public input. Not less than 30 days before issuing an order, the commission shall provide a copy of the order to each of the following:

(a) Each member of each standing committee of the senate or house of representatives that considers legislation pertaining to conservation, the environment, natural resources, recreation, tourism, or agriculture.

(b) The chairperson of the senate appropriations committee and the chairperson of the house of representatives appropriations committee.

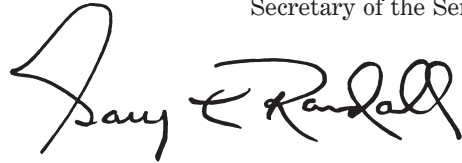

(c) The members of the subcommittee of the senate appropriations committee and the subcommittee of the house of representatives appropriations committee that consider the budget of the department of natural resources.

(3) For the fiscal year ending September 30, 2017, there is appropriated for the department the sum of \$1,000,000.00 to implement management practices necessary for rapid response, prevention, control, or elimination of aquatic invasive species, including Asian carp. Any portion of the amount under this section that is not expended in the fiscal year ending September 30, 2017 shall not lapse to the general fund but shall be carried forward in a work project account that is in compliance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a.

This act is ordered to take immediate effect.
